**STATEMENT OF FINANCIAL AFFAIRS**

This statement is to be completed by every debtor. Spouses filing a joint petition may file a statement on which the information for both spouses is combined. If the case is filed under chapter 12 or chapter 13, a married debtor must furnish information for both spouses whether or not a joint petition is filed, unless the spouses are separated and a joint petition is not filed. An individual debtor engaged in business as a sole proprietor, partner, family farmer, or self-employed professional, should provide the information requested on this statement concerning all such activities as well as the individual's personal affairs.

Questions 1 - 18 are to be completed by all debtors. Debtors that are or have been in business, as defined below, also must complete Questions 19 - 25. **If the answer to an applicable question is "None," mark the box labeled "None."** If additional space is needed for the answer to any question, use and attach a separate sheet properly identified with the case name, case number (if known), and the number of the question.

### NOTES PERTAINING TO ALL DEBTORS<sup>1</sup>

The Schedules of Assets and Liabilities (the “Schedules”) and the Statements of Financial Affairs (the “Statements”) and collectively with the Schedules, (the “Schedules and Statements”) of Mirant Corporation (“Mirant”) and its affiliated debtors in these jointly administered Chapter 11 cases (collectively, the “Debtors”) have been prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtors with the assistance of their court-appointed advisors and are unaudited. While management has made reasonable efforts to ensure that the Schedules and Statements are accurate and complete based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may exist. Moreover, because the Schedules and Statements contain unaudited information which is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are complete. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to these Chapter 11 cases and specifically with respect to any issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code and other relevant nonbankruptcy laws to recover assets or avoid transfers.

Agreements Subject to Confidentiality. There may be instances within the Schedules and Statements where either names, addresses or amounts have been left blank. Due to the nature of an agreement between the Debtor and the third party, concerns of confidentiality or concerns for the privacy of an individual, the Debtor may have deemed it appropriate and necessary to avoid listing such names, addresses and amounts.

Amendment. While reasonable efforts were made to file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement their Schedules and Statements as is necessary and appropriate.

Basis of Presentation. For financial reporting purposes, Mirant prepares consolidated financial statements that are filed with the Securities and Exchange Commission (the “SEC”) and that are audited annually. Unlike the consolidated financial statements, these Schedules and Statements, except as indicated herein, reflect the assets and liabilities of each Debtor. In addition, not all of the direct and indirect subsidiaries of Mirant have filed for protection under Chapter 11. Accordingly, combining the assets and claims set forth in the Schedules and Statements of the Debtors would result in amounts that would be substantially different from financial information regarding Mirant and its subsidiaries that would be prepared on a consolidated basis under Generally Accepted Accounting Principles (“GAAP”). Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements filed by Mirant with the SEC.

Causes of Action. The Debtors, despite efforts, may not have set forth all of their causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any causes of action they may have and neither these General Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

Claims Description. Any failure to designate a claim on the Debtors’ Schedules and Statements as “disputed,” “contingent” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent” or “unliquidated.” The Debtors reserve the right to dispute any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability or classification, or to otherwise subsequently designate such claims as “disputed,” “contingent” or “unliquidated.” The Debtors reserve rights to object to any scheduled claims.

---

<sup>1</sup> These notes are in addition to the specific notes contained in the Debtors’ Schedules and Statements. The fact that the Debtors have prepared a General Note with respect to a particular Schedule (or Statement) and not to others does not reflect and should not be interpreted as a decision by the Debtors to exclude the applicability of such General Note to any or all of the Debtors’ remaining Schedules (or Statements), as appropriate.

Court Orders. By separate orders of the Bankruptcy Court, each dated as of October 3, 2003, the day the Debtors commenced their Chapter 11 cases (the "Petition Date"), the Debtors were authorized to pay, among other things, certain prepetition claims of customers, employees and critical vendors. Consequently, certain prepetition fixed, liquidated and undisputed unsecured claims have been or will be paid. Schedule F generally does not include prepetition liabilities that have been or will be paid under these first day orders.

Current Market Value of Assets. It would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, net book values are reflected on the Debtors' Schedules and Statements for assets. For this reason, amounts ultimately realized may vary from net book value and such variance may be material. Exceptions to this include operating cash and certain other assets. Operating cash is presented at bank balances as of the Petition Date, which does not include cash held by non-debtor entities. Certain other assets such as investments in subsidiaries are listed at undetermined amounts as the net book values may materially differ from fair market values.

Dates. The information provided herein, except as otherwise noted, represents the asset data of the Debtor as of September 30, 2003 and liability data of the Debtor as of the Petition Date.

Excluded Assets and Liabilities. The Debtors have excluded certain categories of assets and liabilities from the statements and schedules such as goodwill, pension assets, deferred compensation, accrued salaries, employee benefit accruals, post-retirement benefits, and deferred gains. Other immaterial assets and liabilities may also have been excluded.

Foreign Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars.

Schedule D – Creditors Holding Secured Claims. Except as otherwise agreed pursuant to a stipulation or agreed order or general order entered by the Bankruptcy Court, the Debtors reserve their right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim. In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the General Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. Except as specifically stated herein, real property lessors, utility companies and other parties which may hold security deposits have not been listed on Schedule D. Certain of the Debtors' agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financing agreements. No attempt has been made to identify such agreements for purposes of Schedule D.

Schedule F – Creditors Holding Unsecured Nonpriority Claims. Schedule F does not include certain deferred charges, deferred liabilities or general reserves. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date. The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. While reasonable efforts have been made, determination of each date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F.

Schedule F contains information regarding pending litigation involving the Debtors. In certain instances, the Debtor that is the subject of the litigation is unclear or undetermined. However, to the extent that litigation involving a particular Debtor has been identified, such information is contained in the Schedule for that Debtor.

Schedule G – Executory Contracts. The businesses of the Debtors are complex. While reasonable efforts were made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions or overinclusion may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contract or other agreement set forth in Schedule G that may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments and agreements which may not be listed therein. The Debtors make no admission that every contract listed on Schedule G is an executory contract or unexpired lease.

In some cases, the same supplier or provider appears multiple times in Schedule G. This multiple listing is to reflect distinct agreements between the applicable Debtor and such supplier or provider.

Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as easements, right of way, subordination, nondisturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents are also not set forth in Schedule G.

In addition, certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The Debtors reserve all of their rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument (including, without limitation, any intercompany agreement) related to a creditor's claim. Certain of the contracts, agreements, and leases listed on Schedule G may have been entered into by more than one of the Debtors. Finally, certain of the executory agreements may not have been memorialized and could be subject to dispute.

Schedule H – Co-Debtors. In the ordinary course of their business, the Debtors are involved in pending or threatened litigation and claims arising out of the conduct of their business. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. Because of the volume of such claims, because all are contingent, disputed or unliquidated, and because such claims are listed elsewhere in the Schedules and Statements, such claims have not been set forth individually on Schedule H.

Statements – Question 7 Gifts. While every reasonable effort was made to ensure that the gifts listed in response to Question 7 include all gifts made, given the magnitude of the Debtors' operations, certain gifts may have inadvertently been omitted from the Schedules and Statements. In addition certain gifts may have been given to employees to make contributions to certain charities.

Statements – Question 8 Losses. The losses listed exclude those incurred in the ordinary course of business where the amount is de minimis.

Statements – Question 17 Environmental Information. The Debtors have operated in many locations. At some such locations, the Debtors no longer have any operations, and may no longer have relevant records or the records may no longer be complete or reasonably accessible and reviewable. Some individuals who once possessed responsive information are no longer employed by the Debtors. For all these reasons it may not be reasonably possible to identify and supply the requested information for every “site” and “proceeding” literally responsive to Question 17. Nonetheless, the Debtors have devoted substantial internal and external resources to identifying and providing the requested information for as many responsive sites and proceedings as reasonably possible. The Debtors placed first priority on identifying all active or open matters. The Debtors may supplement or amend this response in the future.

Due to the great number of potentially responsive matters, the practical burdens in compiling information on inactive matters, and the presumably lower relevance of information on inactive matters, the Debtors in general have attempted to compile information on inactive matters only for such matters initiated within the last few years.

Where some requested categories of information were not reasonably available for a listed “site” or “proceeding,” the Debtors’ response gives as much information as was available.

Where a site is the subject of a proceeding, settlement or order listed in the response to Question 17(c), the site and notices related to it are not also listed in the responses to Questions 17(a) or 17(b). Similarly, sites that are listed in the response to Question 17(a) (sites for which the Debtors have received notice from a governmental unit) are not repeated in the response to Question 17(b) (sites at which the Debtors have provided notice to a governmental unit).

Where a site identified in Tables 17(a) and/or 17(b) has received multiple notices, or notices that preceded and were related to proceedings listed in the response to Question 17(c), all such notices may not be listed.

This response does not include sites or proceedings related to nonenvironmental laws such as occupational safety and health laws, or transportation laws.

The response to Question 17(b) (concerning notices by the Debtors of releases) does not list routine reports and submissions concerning discharges resulting from normal operations where such reports and submissions were made in compliance with regulatory requirements, such as discharge monitoring reports, toxic release inventory submissions, and submissions concerning air emissions.

Totals. All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the tables.
